Please answer all the questions below or, if you require more space, on a separate piece of paper or send as an email attachment to tamworthfarmersmarket@sunnyfield.us

1. What do you plan to sell? Please be very specific. Identify ways that make your product unique and why it would be an asset to the market. If what you intend to sell is an existing product at the market, how will you bring a new approach to that product?

If you are a renewing guest vendor please list any changes to your offerings, new products, items you have discontinued, etc...

2. If you are selling prepared food please detail which ingredients are local. Let us know which ingredients you grow or raise yourself and which ingredients you buy locally and from whom.
