Please answer all the questions below:

1. What do you plan to sell? Please be <u>very</u> specific. Identify ways that make your product unique and why it would be an asset to the market. If what you intend to sell is already for sale at the market, how will you bring a new approach to that product?
<u>If you are a renewing vendor please list any changes to your offerings, new products, items you have discontinued, etc....</u>

2. If you are selling prepared food, please detail which ingredients are local. Let us know which ingredients you grow or raise yourself and which ingredients you buy locally and from whom.

3. Do you wish to sell someone else's product at the market? If so, please list the products as well as complete contact information (name, address, phone numbers, and email).

4. Please include any other information or comments that might be helpful in evaluating your application.
